Programme Information:

You can find the English taught courses offered at the university on this webpage: <https://www.phmetropol.dk/english/study+programmes> Up till now, our students always followed courses from either their Nutrition & Health programme or their Global Nutrition & Health programme. Most courses offered are worth 15 ECTS.

A student who studied at Metropol in 2016-2017, followed these courses:

- Module 9: Inter-professional modules Food and Nutrition security
- Module 8: Sustainability, Participation and Environment

Another student followed the following courses:

- Module 5, option 1: Maternal and child health
- Module 8: Lifecycle nutrition and health

NB: your study programme always has to approve the courses you wish to follow.
