NOTE: Erasmus+ forms

Use only HvA’s official Erasmus+ forms for application and participation in Erasmus+. The official forms are available at the International Office of the student’s HvA faculty and through the MijnHvA A-Z List: <https://az.hva.nl> (search for “Erasmus+”). Make sure to use the forms for the correct academic year.

NOTE: HvA mail address and spam folder

Students participating in Erasmus+ will receive important messages concerning the Erasmus+ grant in their HvA mailbox. It is important that a student checks his/her HvA mailbox on a regular basis (including the spam folder).

NOTE: Questions and contact

This document includes an FAQ section for questions concerning the Erasmus+ grant. For other questions and for assistance with the procedures and documents of the Erasmus+ programme students can contact the International Office of their HvA faculty (refer to [paragraph 7](#) of this handbook for contact details).

1. Conditions for participation in Erasmus+

In order to be eligible for participation in Erasmus+ HvA students must meet the following conditions. Before application a student needs to consult with the International Office at his/her HvA faculty in order to confirm that he/she meets all the conditions for Erasmus+.

Procedures and forms

- The student will use only HvA's official Erasmus+ forms for application and participation in Erasmus+. The official forms are available at the International Office of the student's HvA faculty and through the MijnHvA A-Z List (<https://az.hva.nl>) under "Erasmus+".
- The student will hand in all required documents for the Erasmus+ grant in the correct manner, before expiration of the deadline for the designated form.

The student

- The student is enrolled in a bachelor degree programme at HvA and has paid his/her tuition fee.
- The student will check his/her HvA e-mailbox on a regular basis (including the spam folder). All messages concerning Erasmus+ will be sent to the student's HvA e-mail address. If the student fails to respond to or act on these messages in time it may affect his/her eligibility for participation in Erasmus+.
- At the time of the start of the mobility the student has obtained all 60 ECTS credits of the first year of his/her degree programme. I.e. the student must have fully completed the first year of his/her degree programme at HvA.
- The student holds a nationality different than the nationality of the destination country of the mobility.
- During his/her studies at bachelor level a student can participate in Erasmus+ for several mobility periods for studies or traineeship abroad. However, the combined total duration of the mobility periods cannot exceed twelve months.
- The student has been selected for participation in Erasmus+ and the Erasmus+ grant by the International Office of his/her HvA faculty.

The mobility period

- The mobility period is an integral part of the student's degree programme at HvA.
- The mobility period takes place in one of the following countries: Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Germany, Estonia, Finland, France, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, North Macedonia, Norway, Poland, Portugal, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Turkey, United Kingdom.
- A mobility period for studies has a minimum duration of 3 full months. A mobility period for traineeship has a minimum duration of 2 full months. The maximum duration of the mobility period, either for studies or traineeship, is 12 months.
- (Applies only to mobility for studies): Mobility for studies takes place only within the framework of an Erasmus Inter-Institutional Agreement (IIA) established between the student's faculty at HvA and the receiving organisation. A list of IIA's is available at the International Office of the student's HvA faculty.
- (Applies only to mobility for studies): During mobility for studies the student will be a full-time student at the receiving organisation.
- (Applies only to mobility for traineeship): The weekly number of working hours during a mobility for traineeship will be equivalent to the destination country's standard for full-time employment.
- Well before the start of the mobility period the programme/activities during the mobility will be laid down in a Learning Agreement signed by the student, HvA and the receiving organisation.
- Upon successful completion of the programme/activities laid down in the Learning Agreement the awarded credits for these components will be recognised by HvA and will count towards the student's degree at HvA

PAYMENT 2: The final payment of the Erasmus+ grant is transferred after completion of steps 5 through 9

Step 1: Application Form (Before mobility)

- *Use form 1.1 for studies / Use form 2.1 for traineeship.*
- **ACTION:** *The correct application form needs to be handed in at the International Office of the student's HvA faculty before the applicable deadline.*

There are separate application forms for Erasmus+ for studies or traineeship. Form 1.1 applies to studies and form 2.1 applies to traineeship. The student needs to complete the correct application form for his/her mobility period and send it by e-mail to the International Office of his/her HvA faculty before the applicable deadline (see schedule below). Incomplete forms or applications sent in after the applicable deadline will not be processed.

Start date of the Erasmus+ mobility	Deadline for application for the Erasmus+ grant
Between 1 June 2021 and 31 July 2021	1 April 2021, 13.00 hrs CET
Between 1 August 2021 and 31 October 2021	1 June 2021, 13.00 hrs CET
Between 1 November 2021 and 31 December 2021	1 September 2021, 13.00 hrs CET
Between 1 January 2022 and 31 March 2022	1 November 2021, 13.00 hrs CET
Between 1 April 2022 and 31 May 2022	1 February 2022, 13.00 hrs CET

NOTE: These deadlines only apply to the Erasmus+ grant application. The HvA faculty may have an earlier deadline for registration for a mobility period in general. Students can contact their faculty's International Office for more information (refer to [paragraph 7](#) of this handbook for contact details).

NOTE: If the number of applications for the Erasmus+ grants exceeds the number of grants available, the HvA faculties will apply a [selection procedure](#) for participation in Erasmus+. Only students that have been selected by the International Office of their HvA faculty can be eligible for the Erasmus+ grant. For information about the exact procedures and criteria for the selection students can contact the International Office of their HvA faculty.

Step 2: OLS1 - First Language Assessment (Before mobility)

- *Online Language Assessment: Students who are required to complete the Language Assessment will receive an automated invitation/link by e-mail.*
- **ACTION:** *The first Language Assessment is mandatory and needs to be completed before the deadline mentioned in the invitation and before the start of the mobility period.*

OLS, Online Linguistic Support (<https://erasmusplusols.eu>), is a European online platform that supports language learning for Erasmus+ mobility participants. Students that have been selected to participate in Erasmus+ are required to participate in an online assessment in the language of instruction/communication of their mobility period. The Language Assessment consists of two parts. The first Language Assessment needs to be completed before the start of the mobility. The final Language Assessment ([step 8](#)) can be completed at the end of the mobility. Refer to [paragraph 5](#) of this handbook for more information about the online Language Assessments.

NOTE: OLS is only available in the official languages of the European Union. Students for whom the main language of instruction/communication during the mobility period is not one of the official languages of the European Union are not required to complete the Language Assessment and will not receive an invitation.

NOTE: The Language Assessment does not apply if the student is a native speaker of the main language of instruction/communication of the mobility period. Native speakers are not required to complete the Language Assessment and will not receive an invitation.

NOTE: When a student completes the First Language Assessment HvA will receive an automatic notification. It is therefore not necessary to send the results of the assessment to HvA.

Step 3: LA - Learning Agreement (Before mobility)

- Use the Online Learning Agreement for studies / Use form 2.2 for traineeship.
- **ACTION:** The Learning Agreement needs to be drafted and signed before the start date of the mobility period. A scan/pdf of the completed and signed document needs to be sent to scholarships@hva.nl preferably at least 60 days before the start date of the mobility. Later submission of the Learning Agreement can be accepted, but may result in delayed payment of the Erasmus+ grant.

Preferably at least 60 days before the start date of the mobility the three parties involved (student, HvA and the receiving organisation) will draft and sign a Learning Agreement (form 1.2 for studies or form 2.2 for traineeship). The Learning Agreement describes the duration of the mobility period and the student's planned programme and activities during the mobility. By signing the Learning Agreement all three parties confirm that the programme and activities for the mobility have been approved and that the credits for the mobility will be recognised and will count towards the student's degree at HvA.

NOTE: The Online Learning Agreement only applies to mobility for studies. Refer to [paragraph 3](#) for detailed instructions on how to draft the Online Learning Agreement.

NOTE: In order to facilitate transfer of the advance payment before the start of the mobility, a scan/pdf of the completed and signed Learning Agreement has to be sent to scholarships@hva.nl at least 60 days before the start date of the mobility. Later submission of the Learning Agreement can be accepted, but may result in delayed payment of the Erasmus+ grant.

NOTE: The Erasmus+ programme requires that the Learning Agreement is drafted and signed by all three parties before the start date of the mobility period. If the Learning Agreement is not drafted and signed before the start date of the mobility period, the Learning Agreement will not be processed and the mobility cannot be eligible for the Erasmus+ grant.

Step 4: GA - Grant Agreement (Before mobility)

- The Grant Agreement will be drafted and sent to the student's HvA mail address after completion of steps 2 and 3.
- **ACTION:** Within 1 week after receiving it the student needs to return a scan of the signed Grant Agreement to scholarships@hva.nl.

After the student has completed steps 2 and 3 of the procedures HvA will draft the student's Grant Agreement. The Grant Agreement outlines the mutual obligations and requirements for the Erasmus+ grant for both the student and HvA. Moreover, the Grant Agreement stipulates the maximum duration and the maximum grant amount for the mobility. The document needs to be signed by both the student and HvA. The Grant Agreement will be sent to the student's HvA mail address on weekdays between the 20th and the 26th of the month. After the student returns a signed copy of the Grant Agreement HvA will start the procedures for transfer of an advance payment of the Erasmus+ grant.

NOTE: The Grant Agreement will be sent to the student's HvA mail address on weekdays between the 20th and the 26th of the month. Within 1 week after receiving it the student needs to return a scan of the signed Grant Agreement to scholarships@hva.nl. Later submission of the signed Grant Agreement can be accepted but may result in delayed payment of the Erasmus+ grant.

Step 5: Changes to the Learning Agreement (During mobility)

- Use form 1.2b for studies / Use form 2.2b for traineeship.
- **ACTION:** In case of changes in the Learning Agreement the correct form needs to be filled in, approved and signed by all three parties involved. A scan of the completed and signed document needs to be sent to scholarships@hva.nl within 6 weeks after the start date of the mobility.

When the student arrives at the receiving organisation it may occur that some elements of his/her programme need to be changed (for instance if a study course has been cancelled). If this is the case it is important that the student contacts the International Office at his/her HvA faculty as soon as possible to discuss revision of the Learning agreement. Any changes to the Learning agreement need to be documented in form 1.2b for studies or form 2.2b for traineeship. A scan of the completed and signed form needs to be sent to scholarships@hva.nl.

NOTE: This step only applies in case of changes in the mobility programme as laid down in the Learning Agreement.

Step 6: Statement of Receiving Organisation + Transcript of Records (After mobility)

- Use form 1.3 for studies / Use form 2.3 for traineeship.
- **ACTION:** A scan of the completed and signed form needs to be sent to scholarships@hva.nl within 8 weeks after the end of the mobility and no later than 30 September 2022.

During the final week of the mobility the student will ask the receiving organisation to complete and sign a Statement of receiving organisation (form 1.3 for studies or form 2.3 for traineeship). In this statement the receiving organisation confirms the actual start and end dates of the mobility period.

NOTE: The inclusion of the Transcript of Records only applies to Erasmus+ for studies. The Receiving Organisation can either include the Transcript of Records in form 1.3 or it can be added (later) as a separate document.

NOTE: If the official Transcript of Records mentions the start and end dates of the mobility period, it is not necessary to complete form 1.3. In that case it is sufficient to send only a scan of the official Transcript of Records to scholarships@hva.nl.

Step 7: Credit Recognition Document (After mobility)

- Use form 1.4 (only applies to studies).
- **ACTION:** A scan of the completed and signed document needs to be sent to scholarships@hva.nl within 8 weeks after the end of the mobility and no later than 30 September 2022.

After the mobility the student will hand in the Transcript of Records at the responsible person of his/her HvA study programme. The Responsible Person will then fill in and sign the Credit Recognition Document (form 1.4). By signing this Credit Recognition Document HvA confirms that the credits that the student received during the mobility will be recognised and will count towards the student's degree at HvA.

NOTE: The Credit Recognition Document only applies to Erasmus+ for studies.

Step 8: OLS2 - Final Language Assessment (After mobility) – optional

- *Online Language Assessment: Students who were required to complete the first Language Assessment will receive an automated invitation/link by e-mail.*
- ***ACTION:*** *Completion of the final Language Assessment is optional. The student can choose whether or not he/she wishes to complete the final Language Assessment.*

At the end of the mobility period all students that were required to complete the first Language Assessment will receive an automated e-mail with an invitation/link to complete the final Language Assessment. Completion of the final Language Assessment is optional and not a requirement for the Erasmus+ grant.

For more information on the Language Assessment refer to [paragraph 5](#) of this handbook.

NOTE: The invitation/link for the final Language Assessment will be sent to the student's HvA mail address around the 16th of the end month that the student has entered in his/her OLS profile when he/she completed the first Language Assessment ([step 2](#)).

NOTE: Only students who have completed the first Language Assessment ([step 2](#)) will receive an invitation for the final Language Assessment.

NOTE: Students who achieved an overall score of C2 (maximum score) for the first Language Assessment ([step 2](#)) will not receive an invitation for the final Language Assessment.

NOTE: Completion of the final Language Assessment HvA is optional. It is not necessary to send the results of the assessment to HvA.

Step 9: PR - Online Participant Report (After mobility)

- *Online survey: The student will receive an automated invitation/link by e-mail.*
- ***ACTION:*** *The online Participant Report needs to be completed before the deadline mentioned in the invitation.*

After the end of the mobility all students will receive an automated e-mail with an invitation/link to complete the Erasmus+ online Participant Report. The online Participant Report is an online survey on the student's experiences during the mobility. Completion of the online Participant Report is a mandatory part of Erasmus+.

NOTE: The invitation/link for the online Participant Report will be sent to the student's HvA mail address within 1 week after the end date of the mobility period as laid down in the student's Learning Agreement and Grant Agreement (check the end date in the Learning Agreement/Grant Agreement).

3. Instructions for the Online Learning Agreement for studies (OLA)

In the Learning Agreement, the student, the sending and receiving institution agree upon the student's planned study programme for the mobility period. The Learning Agreement for studies needs to be completed online.

4. Grant amount, payments and supplementary grants

This paragraph describes the procedures for calculation of the Erasmus+ grant and the grant payments made to students.

Calculation of the Erasmus+ grant

The amount of the Erasmus+ grant is calculated according to three variables:

1. The activity: there are different grant amounts for studies or traineeship
2. The destination country
3. The duration of the mobility

The table below shows the different grant amounts per month and per day and the maximum total grant amounts.

Country	Studies		Traineeship	
	Grant per month / day	Max. total grant*	Grant per month / day	Max. total grant*
Bulgaria, Croatia, Czech Republic, Estonia, Hungary, Latvia, Lithuania, North Macedonia, Poland, Romania, Serbia, Slovakia, Slovenia, Turkey	€ 240 / € 8	€ 1440	€ 360 / € 12	€ 2160
Austria, Belgium, Cyprus, Germany, France, Greece, Italy, Malta, Portugal, Spain	€ 300 / € 10	€ 1800	€ 420 / € 14	€ 2520
Denmark, Finland, Iceland, Ireland, Liechtenstein, Luxembourg, Norway, Sweden, United Kingdom	€ 360 / € 12	€ 2160	€ 480 / € 16	€ 2880

*NOTE: The maximum total grant amount will only be awarded if the duration of the mobility is at least 6 months and 0 days.

Maximum total grant

The mobility period has a maximum duration of 12 months. However, regardless of the actual duration of the mobility period, the Erasmus+ grant will be awarded for a maximum of 6 months and 0 days. For any additional duration of the mobility period, in excess of 6 months and 0 days, no extra grant will be awarded (zero-grant).

Calculation of the provisional grant amount

Before the start of the mobility the information in the Learning Agreement ([step 3](#) of the procedures) is used to calculate a provisional grant amount. First the duration of the mobility is broken down to a number of months and a number of remaining days. Then the number of months is multiplied by the applicable monthly grant amount, and the number of days by the corresponding daily amount. The result is rounded off to whole euro's.

The provisional grant amount cannot exceed the maximum total grant amount (see above) and will be laid down in the student's Grant Agreement ([step 4](#) of the procedures).

Calculation of the actual/final grant amount

After the end of the mobility and after the student has completed all the required procedures for Erasmus+ the information in the Statement of receiving organisation ([step 6](#) of the procedures) is used to calculate the actual duration of the mobility and the actual grant amount. The actual grant amount is rounded off to whole euro's and cannot exceed the provisional grant amount as laid down in the student's Grant Agreement.

Payment of the Erasmus+ grant

The Erasmus+ grant is transferred to the student's bank account in two parts. Before/At the beginning of the mobility the student will receive an advance payment of the Erasmus+ grant. After the end of the mobility the student will receive payment of any remaining part of the Erasmus+ grant (final payment).

Payment 1: Advance payment

After the student has returned a signed copy of the Grant Agreement to scholarships@hva.nl he/she will receive an advance payment of the Erasmus+ grant. The advance payment will be 70% of the provisional total grant amount, rounded up to whole euro's. The exact amount of the advance payment can be found in the student's Grant Agreement.

PAYMENT DATE: New Grant Agreements are sent out every month on weekdays between the 20th and the 26th. If a student sends the signed Grant Agreement back to scholarships@hva.nl within 1 week after receiving it, the advance payment will be transferred to the student's bank account around the 20th of the next calendar month.

Payment 2: Final payment

After the end of the mobility and after the student has completed all the required steps for the Erasmus+ grant (see paragraph 2 of this handbook) the student will receive payment of any remaining part of the Erasmus+ grant. The final payment equals the actual grant amount minus the advance payment. If the final payment comes down to a number below zero (i.e. if the advance payment was higher than the actual grant amount), the student will have to pay back part of the advance payment (see below under refund of the Erasmus+ grant).

PAYMENT DATE: Erasmus+ payments are processed once per month. If a student has completed the final step(s) of the procedures for the Erasmus+ grant and sent the final document(s) to scholarships@hva.nl before the 3rd of the month, the final payment will be transferred to the student's bank account around the 20th of the same month.

Example calculation of the Erasmus+ grant and payments

Before the mobility: Calculation of the provisional grant amount and advance payment

- A mobility period for traineeship in Germany (grant per month: € 420, grant per day € 14)
- Planned duration of the mobility period (as laid down in the Learning Agreement): 12 September - 29 November → 2 months and 18 days
- Provisional grant amount: 2 months x 420 + 18 days x 14 = € 1092
- Advance payment: 70% x 1092 = 764,40 → € 765 (will always be rounded up)

After the mobility: Calculation of the actual grant amount and final payment

- Actual duration of the mobility period (as confirmed in the Statement of Receiving Organisation): 12 September - 22 November → 2 months and 11 days
- Actual/final grant amount: 2 months x 420 + 11 days x 14 = € 994
- Final payment: € 994 – € 765 (advance payment) = € 229

Refund of the Erasmus+ grant

In some instances a student will have to pay back (part of) the Erasmus+ grant. For instance:

- If a student has cancelled his/her mobility period
- If the duration of the mobility period was shorter than previously planned
- If the advance payment was higher than the actual grant amount that the student is entitled to according to the information in the Statement of Receiving Organisation

If a student has to pay back (part of) the Erasmus+ grant he/she will be notified by scholarships@hva.nl with instructions on how much he/she will have to pay back and on how and when to refund the money. In order to be able to properly process the refund it is important that a student follows these instructions: a student should not refund any amount before receiving the instructions.

Green Travel Grant

Students who receive the Erasmus+ grant for studies or traineeship in academic year 2020-2021 and who travel to/from the receiving organisation by means of train and/or boat are eligible for an additional Green Travel Grant. The Green Travel Grant is available for students who meet the following conditions:

- The student has indicated in the application form (form 1.1 or 2.1) that he/she wishes to apply for the Green Travel Grant (outbound and/or return journey).
- The student travels from the Netherlands to the receiving organisation (and/or back) by means of train and/or boat on basic/economy fare tickets for the purpose of the mobility period for studies or traineeship as specified in the application form (form 1.1 or 2.1).
- The distance between Amsterdam and the receiving organisation is at least 350 kilometres (measured in a straight line according to the [official Erasmus+ Distance Calculator](#)).
- The Green Travel Grant will cover the costs of the journey by train and/or boat (basic/economy fare) to a maximum of € 85 per one-way journey. A student can receive no more than two Green Travel Grants (outbound and/or return journey).
- Within 4 weeks after completion of a journey (outbound or return) the student must send scan(s) to scholarships@hva.nl of the ticket(s) proving that the journey has been made by means of train and/or boat on basic/economy fare ticket(s). The ticket(s) must indicate the validity period/the date(s), the price and the name of the traveller – the name of the traveller has to be the same as the grant recipient.
- It is the student's responsibility to ensure adequate insurance coverage for the full duration of a journey (note: longer stop-overs may require additional insurance).
- For academic year 2021-2022 a maximum of 100 Green Travel Grants can be awarded. If the number of applications exceeds the number of available grants, HvA may decide to draw lots to distribute the available Green Travel Grants.

Additional Financial Support

Students who receive a supplementary grant (aanvullende beurs) from DUO are eligible for an Additional Financial Support grant (AFS grant) from Erasmus+. The AFS grant amounts to € 180 per month. The AFS grant is available for students who meet the following conditions:

- Only students who receive an Erasmus+ grant for studies are eligible for the AFS grant (traineeships are not eligible for the AFS grant).
- The student has indicated in the application form (form 1.1) that he/she wishes to apply for the AFS grant.
- The student provides proof that he/she receives a supplementary grant (aanvullende beurs) from DUO by adding a scan of DUO's decision letter (beschikking) to the application form for the Erasmus+ grant and sending both to scholarships@hva.nl.
- For academic year 2021-2022 a maximum of 15 AFS grant can be awarded. If the number of applications exceeds the number of available grants, HvA may decide to draw lots to distribute the available AFS grants.

The AFS grant will be added to the student's applicable grant amount and will be transferred with the regular payments for the Erasmus+ grant (i.e. advance payment and final payment).

5. Erasmus+ Online Linguistic Support (OLS)

For whom

All students that have been selected to participate in Erasmus+ and whose main language of instruction/communication during the mobility period will be one of the listed languages are required to participate in an online Language Assessment in the designated language of the mobility period.

NOTE: If a student is a native speaker in the main language of instruction/communication during the Erasmus+ period, he/she will not be required to complete the Language Assessment.

Aim of the Language Assessment

The aim of the Language Assessment is to provide students insight in their level of competence in the main language of instruction/communication during their mobility period. The European Commission will use statistical data from the assessments to gain insight in the progress that students make in the main language of their mobility period. The assessment is not an issue of pass or fail. The outcome of the assessment will not in any way affect the student's participation in Erasmus+ or the Erasmus+ grant.

Language Course (optional)

Before the first assessment a student can express interest in participating in an online Language Course. An invitation/link for the course will be sent to the student's e-mail address after completion of the first Language Assessment. Participation in the Language Course is not obligatory and is free of charge.

Procedures for the Erasmus+ Language Assessment

The Language Assessment consists of two parts. The first Language Assessment needs to be completed before the start of the mobility. The final Language Assessment is optional and can be completed at the end of the mobility. For technical issues with the availability of the Language Assessments refer to the FAQ section of this handbook.

- **First Language Assessment**
If a student is required to complete the Language Assessment he/she will receive an automated invitation/link for the Language Assessment by e-mail. The deadline for completion of the first Language Assessment is mentioned in the invitation. The deadline will be so that after receipt of the invitation the student will have approximately 2 weeks to complete the first Language Assessment. If a student fails to complete the first Language Assessment, he/she cannot be eligible for the Erasmus+ grant.
- **Creating a profile / The mobility dashboard**
Before completing the first Language Assessment the student will be required to fill in the mobility dashboard and enter the planned start and end month/year of his/her mobility period. It is important that the student enters the correct start and end month/year of the mobility period.
- **Final Language Assessment (optional)**
The invitation/link for the final Language Assessment will be sent to the student by e-mail around the 16th of the end month/year he/she has entered in the mobility dashboard (see above). The deadline for completion of the final Language Assessment is mentioned in the invitation.
Students who achieved a maximum score of C2 for the first Language Assessment will not receive an invitation for the final Language Assessment.

Important notes for the Erasmus+ Language Assessment

- It is recommended to use of a laptop or desktop computer to complete the Language Assessment. It is unknown whether the assessment website will function properly on a tablet or smartphone.
- It is up to the student to assure optimal conditions for doing the Language Assessment: a quiet environment with a stable internet connection and access to a power supply for computer or laptop.
- Before the first Language Assessment students are required to create a profile in the mobility dashboard. In this profile they will need to enter the estimated start and end month/year of their mobility period. It is important that the student enters the correct start and end month/year of the mobility period. The end/month year entered in the profile will affect when the final Language Assessment will become available.
- The assessment consists of 70 questions (mainly multiple-choice) and will take approximately 40-50 minutes to complete. There is no time limit for completion of the Language Assessment.
- Although it is possible to pause the Language Assessment, it isn't possible to go backward and review questions: once an answer has been confirmed, it will not be possible to return to the question or alter the answer.
- The assessment includes a number of sound clips. It is up to the student to make sure that the sound on his/her computer is switched on (the use of a set of decent headphones is recommended). The sound clips can be played a maximum of three times.
- For some students it may be tempting to "cheat" during the assessment by calling in for aid or use the internet or a dictionary to look up answers. We strongly recommend NOT to do this. First of all, there is no need to manipulate the outcome of the assessment, for the assessment does not affect the student's participation in Erasmus+ or his/her Erasmus+ grant in any way. Moreover, by cheating a student would deny himself/herself the opportunity to gain insight in his/her actual level of competence in the main language of the mobility period.

Online Language Course (optional)

One of the aims of OLS is to help students improve their competence in a foreign language. In addition to the Language Assessments, OLS therefore offers Erasmus+ students the opportunity to sign up for an online Language Course. Participation in the Language Course is not obligatory and is free of charge. Only students who have completed the first Language Assessment can participate in the online Language Course.

How to sign up for the Language Course

Before the first assessment you will be required to fill in the mobility dashboard. In this dashboard you can choose from different options for participation in a Language Course. You can choose to do a course in the main language of instruction/work, the local language or both. The link to the course(s) will be sent to you after completion of the first assessment.

NOTE: Invitation for the Language Course

The invitation/link for the Language Course is sent to the student's registered mail address automatically after completion of the first assessment. Often these automated invitations are wrongfully moved to the spam folder. After receipt of the invitation the student will have 1 month to first log on to the Language Course. After that time the invitation will expire.

Application: conditions, forms and deadline

FAQ 1: What are the **conditions for application for the Erasmus+ grant**?

Refer to paragraph 1 of this handbook for an overview of the conditions for the Erasmus+ grant. Consult with the International Office of your HvA faculty to make sure that you meet all the conditions for Erasmus+ (refer to [paragraph 7](#) for contact details).

FAQ 2: Where can I find the **forms for the Erasmus+ grant**?

The Erasmus+ forms are available at the International Office of your HvA faculty and through the MijnHvA A-Z List: <https://az.hva.nl> (search for “Erasmus+”). Make sure to use the forms for the correct academic year.

FAQ 3: When is the **deadline for application for the Erasmus+ grant**?

Please note that these deadlines only apply to the Erasmus+ grant application. Your HvA faculty may have an earlier deadline for registration for an international mobility period in general. Contact your faculty’s International Office for more information (see [paragraph 7](#) for contact details).

Between 1 June 2021 and 31 July 2021	1 April 2021, 13.00 hrs CET
Between 1 August 2021 and 31 October 2021	1 June 2021, 13.00 hrs CET

Between 1 April 2022 and 31 May 2022	1 February 2022, 13.00 hrs CET

FAQ 4: When/How will I know if my **application for the Erasmus+ grant has been received and processed**?

Approximately 3-4 weeks after the applicable deadline for application for Erasmus+ a confirmation will be send to your HvA mail address.

Online Learning Agreement

FAQ 5: The receiving university uses its own **Learning Agreement**. Can I use this Learning Agreement instead of the Online Learning Agreement?

For mobility in academic year 2021-2022 you may use the receiving university’s Learning Agreement instead of the OLA if it provides exactly the same information as requested in the OLA (note: make sure that the form mentions the exact start and end dates of the mobility period). If the receiving university’s Learning Agreement has been signed by all three parties, but does not have exactly the same information of the OLA, then make sure to also complete form 1.2. Form 1.2 will then only have to be signed by the student and the HvA. Send scans of both forms to scholarships@hva.nl.

FAQ 6: When opening the Online Learning Agreement I don't see the option to login with Google. What should I do?

Delete the cookies from your browser, reload the website for the Online Learning Agreement (www.learning-agreement.eu) and try again.

FAQ 7: I'm having trouble getting my Learning Agreement drafted and signed before the start of my mobility period. What should I do?

Contact the International Office of your HvA faculty immediately to inform them about your situation and ask for assistance (see [paragraph 7](#) for contact details).

FAQ 8: I have sent my Learning Agreement to scholarships@hva.nl. Will I receive a confirmation?

Yes, when you send your Learning Agreement to scholarships@hva.nl we will send you a confirmation of receipt when we have received and processed your Learning Agreement.

Grant Agreement

FAQ 9: When will I receive my Grant Agreement?

After you have completed your first Language Assessment and sent your Learning Agreement to scholarships@hva.nl, HvA will draft your Grant Agreement and send it to your HvA mail address. New Grant Agreements are sent out every month on weekdays between the 20th and the 26th.

FAQ 10: The start and/or end date in my Grant Agreement is incorrect. What should I do?

The dates in the Grant Agreement have been taken from the dates that have been agreed upon in your Learning Agreement. In order to change the dates in your Grant Agreement a new Learning Agreement, with the correct dates, will have to be drafted and signed by all three parties. A scan of the new Learning Agreement needs to be sent to scholarships@hva.nl within 6 weeks after the start date of the mobility.

FAQ 11: I have sent my Grant Agreement to scholarships@hva.nl. Will I receive a confirmation?

Yes, when you send your Grant Agreement to scholarships@hva.nl we will send you a confirmation of receipt when we have received and processed your Grant Agreement.

Form 1.3/2.3, Transcript of Records and ECTS

FAQ 12: The receiving university refuses to complete and sign my form 1.3 for studies. What should I do?

If desired the receiving university can use its own form to confirm the duration of the mobility period. As long as the form includes the start and end dates of the mobility period and the signature of the authorised representative of the university.

If your official Transcript of Records mentions the start and end dates of your mobility period it is not necessary to use form 1.3. It is sufficient to send a scan of your Transcript of Records to scholarships@hva.nl.

FAQ 13: The ECTS credits for my Erasmus+ mobility period have not (yet) been added in SIS. What should I do?

Contact the International Office of your HvA faculty (see [paragraph 7](#) for contact details) for information on the procedures for your faculty to get your ECTS credits listed in SIS.

Online Participant Report

FAQ 14: When will I receive the invitation/link for the Participant Report?

The invitation for the Participant Report will be sent to your HvA mail address within 1 week after the end date of your mobility period as laid down in your Learning Agreement and your Grant Agreement (check the end date in

your Learning Agreement/Grant Agreement). Often these automated invitations are wrongfully moved to the spam folder, so please keep an eye on both your inbox and your spam folder.

FAQ 15: I have not received an invitation/link for the Participant Report. What should I do?

The invitation has been sent to your HvA mail address. Often these automated invitations are wrongfully moved to the spam folder, so please check both your inbox and your spam folder.

If you haven't received the invitation, contact scholarships@hva.nl to request for a new invitation to be sent to your HvA mail address (keep an eye on your inbox and your spam folder).

FAQ 16: The link in the invitation for the Participant Report does not work. What should I do?

Contact scholarships@hva.nl to request for a new invitation/link to be sent to your HvA mail address. Note: often these automated invitations are wrongfully moved to the spam folder, so please keep an eye on both your inbox and your spam folder.

Payments and refunding of the Erasmus+ grant

FAQ 17: How many grant payments will I receive?

The total Erasmus+ grant is transferred to the student's bank account in two payments. Before/At the beginning of the mobility the student will receive an advance payment of the Erasmus+ grant (the amount of the advance payment is mentioned in the Grant Agreement). After the end of the mobility, after the student has completed all the steps of the procedures, the student will receive payment of any remaining part of the Erasmus+ grant (final payment).

FAQ 18: When will I receive my advance payment?

The advance payment of your Erasmus+ grant will be transferred after you have returned a scan of your signed Grant Agreement (see FAQ 9) to scholarships@hva.nl. If you send the signed Grant Agreement back to scholarships@hva.nl within 1 week after it has been sent to you, your advance payment will be transferred during the next calendar month (around the 20th).

FAQ 19: How is the advance payment calculated?

The calculation of the advance payment is based on the information provided in the Learning Agreement. Refer to [paragraph 4](#) of this handbook for information on the calculation of the advance payment of the Erasmus+ grant.

FAQ 20: I'm doing my studies/traineeship together with another HvA student, but his/her advance payment is higher/lower than mine. How can this be?

The calculation of the Erasmus+ grant is based on the duration of the mobility period as laid down in the student's individual Learning Agreement. Compare the start and end dates in your Learning Agreements. If there is a difference in the duration of the mobility period in the Learning Agreement this may affect the amounts of the total Erasmus+ grant and the advance payment.

FAQ 21: I have not (yet) received my advance payment. What should I do?

Make sure that you have completed steps 1 through 4 of the procedures (see [paragraph 2](#) of this handbook) and that you have sent back your signed Grant Agreement (step 4) within 1 week after receiving it (see FAQ 18). If you missed this deadline for the Grant Agreement your payment will be delayed by at least one month.

Also, check the bank account number (IBAN) in your Grant Agreement. If the bank account number is not correct, inform scholarships@hva.nl immediately.

FAQ 22: When will I receive my final payment?

The final payment of the Erasmus+ grant will be transferred after your mobility period and after you have completed all the required steps for the Erasmus+ grant (see [paragraph 2](#) of this handbook).

Erasmus+ payments are processed once per month. If you have completed the final step(s) of the procedures for the Erasmus+ grant before the 3rd of the month, the final payment will be transferred around the 20th of the same month. Otherwise your final payment will be delayed one month.

FAQ 23: How is the final payment calculated?

The calculation of the advance payment is based on the information provided in form 1.3/2.3 or the Transcript of Records. Refer to [paragraph 4](#) of this handbook for information on the calculation of the final payment of the Erasmus+ grant.

FAQ 24: My final payment is lower than I expected. How can this be?

After the end of your mobility period HvA uses the information in your Statement of Receiving Organisation (step 6 of the procedures) to calculate your actual/final grant amount. If the duration of the mobility period as indicated in your Statement is shorter than the duration of the mobility period as indicated in your Learning Agreement this may affect the total amount of your Erasmus+ grant and the final payment.

If the duration in your Statement of Receiving Organisation is incorrect, contact the Receiving Organisation to request them to draft and sign a new Statement with the correct start and end dates of your mobility period. Send a scan of the new Statement to scholarships@hva.nl.

FAQ 25: I'm did my studies/traineeship together with another HvA student, but his/her final payment is higher/lower than mine. How can this be?

The calculation of the Erasmus+ grant is based on the duration of the mobility period as confirmed in the student's individual Statement of Receiving Organisation. Compare the start and end dates in your Statements. If there is a difference in the duration of the mobility period in the Statements this may affect the amount of the Erasmus+ grant.

If the duration in your Statement of Receiving Organisation is incorrect, contact the Receiving Organisation to request them to draft and sign a new Statement with the correct start and end dates of your mobility period. Send a scan of the new Statement to scholarships@hva.nl.

FAQ 26: I have to pay back (part of) my Erasmus+ grant. What should I do?

If you have to pay back (part of) the Erasmus+ grant you will be notified via e-mail by scholarships@hva.nl. In this notification you will receive instructions on how much you will have to pay back and on how and when to refund the money. In order to be able to properly process your refund it is important that you follow these instructions: you should not refund any amount before receiving the instructions.

OLS: online Language Assessments and online Language Course

FAQ 27: When will I receive the invitation/link for the first Language Assessment?

Approximately 3-4 weeks after the applicable deadline for application for Erasmus+ the invitation for the Language Assessment will be sent to your HvA mail address. Often these automated invitations are wrongfully moved to the spam folder, so please keep an eye on both your inbox and your [spam folder](#).

FAQ 28: I have not received an invitation/link for the first Language Assessment. What should I do?

The invitation has been sent to your HvA mail address. Often these automated invitations are wrongfully moved to the spam folder, so please check both your inbox and your [spam folder](#).

Keep in mind that you will only receive an invitation if the main language of instruction/communication during your mobility period is one of the official languages of the European Union and if you are not a native speaker of the language of your mobility period (check your application form).

FAQ 29: I missed the deadline for my first Language Assessment. What should I do?

Contact scholarships@hva.nl to request for a new invitation for the Language Assessment to be sent to your HvA mail address. Note: often these automated invitations are wrongfully moved to the spam folder, so please keep an eye on both your inbox and your spam folder.

FAQ 30: I would like to do an OLS Language Course. What should I do?

Before the first assessment you will be required to fill in the mobility dashboard. In this dashboard you can choose from different options for participation in a Language Course. You can choose to do a course in the main language of instruction/work, the local language or both. The link to the course(s) will be sent to you after completion of the first assessment.

FAQ 31: I should have received an invitation for the OLS Language Course. Where can I find it?

If you have requested or have been assigned access to the OLS Language Course (see FAQ 30) an invitation will be sent to your HvA mail address. Often these automated invitations are wrongfully moved to the spam folder, so please check both your inbox and your spam folder.

FAQ 32: I wish to complete the optional final Language Assessment. When will I receive the invitation/link?

When you completed your first Language Assessment you were required to fill in the end month of your mobility period in your profile. The invitation for the final Language Assessment will be sent to your HvA mail address around the 16th of the end month you entered in your profile. Often these automated invitations are wrongfully moved to the spam folder, so please keep an eye on both your inbox and your spam folder.

If you wish to check or alter the end month in your profile you can do so by logging in to you profile via <https://erasmusplusols.eu/login-box>. To log in use your HvA mail address and the same login details as for the first Language Assessment. If necessary this website provides the opportunity to use your HvA mail address to reset your password.

FAQ 33: I wish to complete the optional final Language Assessment, but I have not received an invitation/link. What should I do?

The invitation has been sent to your HvA mail address. Often these automated invitations are wrongfully moved to the spam folder, so please check both your inbox and your spam folder. If you haven't received the e-mail, or cannot find it, refer to procedures described in FAQ 34 to access the final Language Assessment.

Keep in mind that you will only receive an invitation for the final Language Assessment if you have also completed the first Language Assessment. If you achieved an overall score of C2 (maximum score) for the first assessment you will not receive an invitation for the final Language Assessment.

FAQ 34: I wish to complete the optional final Language Assessment, but I have missed the deadline in the invitation. What should I do?

You can enter OLS directly via <https://erasmusplusols.eu/login-box>. To log in use your HvA mail address and the same login details as for the first Language Assessment. If necessary this website provides the opportunity to use your HvA mail address to reset your password.

If the button for the final Language Assessment is active (blue), you can use this button to access the final Language Assessment. However, if the button for the final Language Assessment is disabled (grey), you can enter your OLS profile and adjust the end month of your mobility period to a more recent month. By tweaking the end month you can re-activate the button for the final Language Assessment (changing the end month in OLS will not affect your Erasmus+ grant).

If the above solution does not work, contact scholarships@hva.nl to explain your situation and request assistance.
