Who and when to reach

In this procedure you will be in contact with three parties. The first is the **International Office (IO)** of your faculty (find contact details in this handbook). The second one is the **receiving university/organisation** of your internship. These two parties is where you get your forms signed. At the IO you can also seek help regarding personal situations and if the question you have is not answered by reading this handbook. The third one is team **scholarships** (scholarships@hva.nl) where you hand in the complete forms (including all the information and signatures). They will keep track of your Erasmus+ grant procedure.

Cancelations

If you want to cancel your Erasmus+ grant send an e-mail to scholarships@hva.nl to inform us that you wish to cancel your Erasmus+ grant. If you have already received your first payment, you may need to refund (part of) the payment you received.

Questions & FAQ

Since the Erasmus+ programme exists for quite some time, most questions and answers have been submitted to the FAQ below in this handbook. Please before sending your question to someone, read the FAQ.

Conditions for participation in Erasmus+

The student

- The student is enrolled in a bachelor degree programme at HvA and has paid the tuition fee.
- At the time of the start of the mobility the student has obtained all 60 ECTS credits of the first year of the degree programme. I.e. the student must have fully completed the first year of the degree programme at HvA.
- The student holds a nationality different than the nationality of the destination country of the mobility. Or the student holds permanent residency of a country different than the destination country of the mobility.
- The student has been selected for participation in Erasmus+ and the Erasmus+ grant by the International Office of their HvA faculty.
- Students participating in Erasmus+ can choose from three options for student mobility: studies, internship and Blended Intensive Programme (BIP). However, during his/her studies at the HvA a student can participate in Erasmus+ no more than two times and each of the three mobility options cannot be participated in more than once. The combined total duration of the Erasmus+ mobility periods cannot exceed twelve months.
- Students who, during their studies at HvA, have already participated in either Erasmus+ for studies or Erasmus+ for internship cannot participate in Erasmus+ for a BIP.

The mobility period

- The mobility period must be part of the student's study programme to complete a degree at HvA. Meaning that students can only participate in Erasmus+ for mandatory credits of their degree at HvA. It is not possible to participate in Erasmus+ for extracurricular activities.
- The mobility period takes place in one of the following countries: Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Germany, Estonia, Finland, France, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, North Macedonia, Norway, Poland, Portugal, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Turkey.
- A mobility period has a minimum duration of 2 full months. The maximum duration of the mobility period is 12 months.
- (Applies only to mobility for studies): Mobility for studies takes place only within the framework of an Erasmus Inter-Institutional Agreement (IIA) established between the student's faculty at HvA and the receiving organisation. A list of IIA's is available at the International Office of the student's HvA faculty.
- (Applies only to mobility for studies): During mobility for studies the student will be a full-time student at the receiving organisation.
- (Applies only to mobility for internship): The weekly number of working hours during a mobility for internship will be equivalent to the destination country's standard for full-time employment.
- Before the start date of the mobility period the programme/activities during the mobility will be laid down in a Learning Agreement signed by the student, HvA and the receiving organisation.
- Upon successful completion of the programme/activities laid down in the Learning Agreement the awarded credits for these components will be recognised by HvA and will count towards the student's degree at HvA.

Step 1: Application (+ info on deadlines and cancelations)

Before the mobility period

First, you need to discuss your plans for studies or internship abroad with the [International Office](#) of your HvA faculty before you can apply for an Erasmus+. If the receiving university did not confirm your studies yet, do fill in the Erasmus+ application form before the given deadline below. That way, you avoid missing out on your Erasmus+ Grant. If you are unable to meet the deadline as a result of serious personal circumstances, your application can only be accepted by means of exception if you have discussed your circumstances with your student counsellor (studentendecaan) before the deadline.

Note for internship: You do not yet need to know which company or which country you will go to. Your application is to show the intention of going.

Deadline for Erasmus+ application:

Mobility in semester 1 (start date between: August – December)	Mobility in semester 2 (start date between: January – May)
<u>1st of June</u>	<u>1st of November</u>

Instructions step 1 (studies / internship)

- Check the deadline for handing in your application for the Erasmus+ grant.
- Check if you meet all the conditions for participation in Erasmus+.
- To download the correct application form, search for “Erasmus+” on the [HvA website](#).
 - For studies use form 1.1
 - For internship use form 2.1
 - For BIP participation use form 1.1a (only available via your [International Office](#))

Note: If you are unable to download your application form, the application form can be obtained through the [International Office](#) of your HvA faculty.
- Fill in and sign your application form and hand in your application form at the International Office of your HvA faculty before the applicable deadline.
- The International Office will check and sign your application. They will forward your application to HvA’s central Erasmus+ administration (scholarships@hva.nl) or send it back to you and you send it to scholarships yourself.

After you have completed steps 1 through 3 team scholarships will send you your Grant Agreement (GA). This is the formal confirmation of the award of the Erasmus+ grant. After you have signed and returned your GA you will receive an advance payment on your Erasmus+ grant.

Note: Take into account that this can take up to one month before you receive the advance payment. Check the FAQ in this handbook for more information.

Note: New GA's are send out once every month between the 20th and the 26th. Your GA will be sent to your HvA mail address. This e-mail mentions a deadline for return of the signed GA (+/- 1 week after receiving the e-mail).

Instructions step 4

- a. Read the GA and check your personal details (e.g. your IBAN number, student number or birthday). Reply on the email if details need to be changed.

Step 5: Changed Learning Agreement for studies and internship

During the mobility period

When you arrive at the receiving institution/organisation it may occur that some elements of your programme need to be changed (for instance if a study course has been cancelled or there is an overlap). If this is the case it is important that you contact the [International Office](#) of your HvA faculty as soon as possible to discuss a change of the Learning agreement.

Step 6: Transcript of Records for studies

After the mobility period

The Transcript of Records (ToR) is an overview of your study results during the mobility period at the receiving institution. After your mobility period you should receive your ToR from the receiving institution (if not communicated when, you may contact them).

Important: If the ToR does not mention the exact start and end dates of your mobility period, you fill in the 1.3 form and get it signed by the receiving university.

Note: If you haven't received your ToR from the receiving institution, contact the [International Office](#) of your HvA faculty.

Instructions step 6

If your Transcript of Records (ToR) mentions the exact start and end dates of your mobility period:

- a. Send an email with the ToR to both the international office of you faculty and scholarships@hva.nl

*If your Transcript of Records (ToR) does **not** mention the exact start and end dates of your mobility period you will need to add a document with the formal confirmation by the receiving institution of the exact start and end dates of your mobility period:*

Note: If this person is not available anymore at that moment, you ask their replacement to sign.

Instructions step 7

Step 8: Online Participant Report for all students

After the mobility period

The Participant Report (PR) is an online survey provided by the European Commission about your experiences during your Erasmus+ mobility. All participants in Erasmus+ are required to complete this survey. At the end of your mobility period the invitation/link for the Participant Report will be sent to your HvA mail address.

Note: The invitation/link will be sent to you one day after the end date of your mobility period as indicated in your Learning Agreement and Grant Agreement (check your Learning Agreement/Grant Agreement for the exact date). **Keep an eye on your spam folder.** The automatic invitation/link often ends up in the spam folder of student's HvA mail.

Instructions step 8 (studies / internship)

- a. Open your (spam) mailbox and click on the link.
- b. Make sure that you fully complete the online Participant Report.

The completed report will be submitted to HvA automatically, so there is no need to save and send a pdf of your Participant Report.

Erasmus+ grant amount

The regular Erasmus+ grant is available for all students who meet the conditions and have been selected for Erasmus+ by the International Office of their HvA faculty. Besides the regular grant Erasmus+ offers additional grants for [student with fewer opportunities](#) and for [green travel](#).

The amount of the regular Erasmus+ grant is calculated according to three variables:

- Activity: different grant amounts for studies, internship or Blended Intensive Programme (BIP)
- Destination country / country group
- Duration of the mobility

Country group

1. Bulgaria, Croatia, Czech Republic, Estonia, Hungary, Latvia, Lithuania, North Macedonia, Poland, Romania, Serbia, Slovakia, Slovenia, Turkey
2. Austria, Belgium, Cyprus, Germany, France, Greece, Italy, Malta, Portugal, Spain
3. Denmark, Finland, Iceland, Ireland, Liechtenstein, Luxembourg, Norway, Sweden

Country group	Studies		Internship		BIP	
	Grant per month / day	Estimated grant for semester *	Grant per month / day	Estimated grant for semester *	1 week	2 weeks (max.)
1. BG, HR, CZ, EE, HU, LV, LT, MK, PL, RO, RS, SK, SI, TR	€ 240 / € 8	€ 1088	€ 390 / € 13	€ 1768	€ 350	€ 700
2. AT, BE, CY, DE, FR, GR, IT, MT, PT, ES	€ 300 / € 10	€ 1360	€ 450 / € 15	€ 2040	€ 350	€ 700
3. DK, FI, IS, IE, LI, LU, NO, SE	€ 360 / € 12	€ 1632	€ 510 / € 17	€ 2312	€ 350	€ 700

* Estimation based on a mobility period of 4 months and 16 days.

Example calculation of the regular Erasmus+ grant for studies or internship

Before the mobility

- A mobility period for internship in Germany (grant per month: € 450, grant per day € 15)
- Planned duration (in Learning Agreement): September - December → 4 months (rough estimation for the purpose of the calculation of the advance payment).
- Provisional grant calculation: 4 months x 450 = € 1800
- First payment (advance payment): € 1260 | [approximate payment date](#)

After the mobility

- Actual duration of the mobility period (as confirmed in the documents for step 6 of the procedures): 5 September - 15 November → 3 months and 11 days
- Actual/final grant amount: 3 months x 450 + 11 days x 15 = € 1515
- Final payment: € 255 (€ 1515 minus advance payment of € 1260) | [approximate payment date](#)

Payment 2: Final payment (after mobility period)

When:

After you have completed all the steps of the procedures (steps 1 through 8) you will receive the final payment of the Erasmus+ grant.

The approximate date of the final payment depends on when you complete the final step(s) of the procedures. **If you complete the final step(s) before the 3rd of the month you will receive your final payment at the end of the calendar month.** If you complete the final step(s) after the 3rd of the month your final payment will be transferred at the end of the next calendar month.

Example scenarios for the final payment:

You completed the final step(s) on...	You will receive your final payment at the...
28 May	End of June
2 June	End of June
4 June	End of July

Amount:

The actual start and end dates of your mobility period have been confirmed in the documents you handed in for step 6 of the procedures. Based on these dates we will make the final calculation of your Erasmus+ grant. The final payment equals the actual grant amount minus the advance payment you already received.

Note: If the confirmed duration of your mobility period is shorter than the duration in your Grant Agreement, the calculation of the final payment may come down to a number equal to or below zero. If this is the case you will not receive a final payment and you may have to pay back part of your advance payment.

Refunds

! Do not refund any amount before receiving instructions from scholarships.

In some instances you may need to pay back (part of) the Erasmus+ grant. For example:

- If you have cancelled your mobility period
- If the duration of your mobility period was shorter than previously planned

The award of the Erasmus+ grant does not rely on the number of ECTS you successfully complete during your mobility period. So you can keep your Erasmus+ grant, regardless of whether you have passed all the exams/ECTS during your mobility period. However, you do need to complete all steps of the [procedures](#) for the Erasmus+ grant.

If you have to pay back (part of) the Erasmus+ grant you will be notified by scholarships@hva.nl. You will receive an e-mail with instructions on the amount and the bank details for the refund.

Payments an refunds

FAQ 9a: How many grant payments will I receive?

The total Erasmus+ grant is transferred to the student's bank account in two payments.

- Payment 1 (advance payment): before/during the mobility, after completion of steps 1 through 4 of the procedures.
- Payment 2 (final payment): after the mobility, after completion of all the steps of the procedures (steps 1 through 8).

Note: *Students participating in a Blended Intensive Programme (BIP) receive only one payment.*

FAQ 9b: When will I receive my advance payment?

The advance payment of your Erasmus+ grant will be transferred after you have completed steps 1 through 4 of the procedures.

The approximate date of the advance payment depends on when you return your signed Grant Agreement (GA) to scholarships@hva.nl. If you return your signed GA before the 3rd of the month you will receive your payment at the end of the calendar month. If you return your GA after the 3rd of the month your payment will be transferred at the end of the next calendar month.

FAQ 9c: How is the advance payment calculated?

The planned duration of your mobility period is noted in the Learning Agreement. Based on these dates and the country you go to, a calculation is made. For studies or internship the advance payment is 70% of this (max.) grant calculation. For participation in a Blended Intensive Programme (BIP) the advance payment is 100%.

FAQ 9d: I'm doing my studies/internship together with another HvA student, but their advance payment is higher/lower than mine. How can this be?

The calculation of the Erasmus+ grant is based on the duration of the mobility period as laid down in the student's individual Learning Agreement. Compare the start and end dates in your Learning Agreements. If there is a difference in the duration of the mobility period in the Learning Agreement this may affect the amounts of the total Erasmus+ grant and the advance payment.

FAQ 9e: I have not (yet) received my advance payment. What should I do?

Make sure that you have completed steps 1 through 4 of the procedure and that you have checked and returned your signed Grant Agreement (step 4) within the given time frame.

FAQ 9f: When will I receive my final payment (studies/internship only)?

The final payment of the Erasmus+ grant will be transferred after your mobility period and after you have completed all the steps of the procedures (steps 1 through 8).

Erasmus+ payments are processed once per month. If you have completed the final step(s) of the procedures for the Erasmus+ grant before the 3rd of the month, the final payment will be transferred at the end of the same month. Otherwise your final payment will be delayed a month.

FAQ 9g: How is the final payment calculated (studies/internship only)?

The actual start and end dates of your mobility period have been confirmed in the documents you handed in for step 6 of the procedures. Based on these dates we will make the final calculation of your Erasmus+ grant. The final payment equals the actual grant amount minus the advance payment you already received.

FAQ 9h: I haven't received a final payment... or My final payment is lower than I expected. How can this be (studies/internship only)?

After the end of your mobility period HvA uses the information in the documents for step 6 of the procedures to calculate your actual/final grant amount. If the duration of the mobility period as indicated in these documents is shorter than the duration of the mobility period as indicated in your Learning Agreement this may affect the total amount of your grant and the final payment. If the duration in your Statement of Receiving Organisation is incorrect, contact the Receiving Organisation to request them to draft and sign a new Statement with the correct start and end dates of your mobility period. Send a scan of the new Statement to scholarships@hva.nl.

FAQ 9i: I'm did my studies/internship together with another HvA student, but their final payment is higher/lower than mine. How can this be? See FAQ9d

FAQ 9j: I have not passed all the exams/ECTS during my mobility period. Do I need to refund the Erasmus+ grant?

FAQ 9k: I have to pay back (part of) my Erasmus+ grant. What should I do?

If you have to pay back (part of) the Erasmus+ grant you will be notified by scholarships@hva.nl. You will receive an e-mail with instructions for the refund. It is important that you follow these instructions: do not refund any amount before receiving the instructions.
